

Visa conditions agreement – Special Programme 416

Name: Country:

I acknowledge that in the conditions of my obtaining an Internship Special Programme Visa I signed an undertaking to the Department of Immigration only to work with Visitoz employers.

I also promise to do the following things:-

- (a) Never speak a language other than English when at training, at work, or when others who cannot understand are present
- (b) I will let Visitoz know by phone or email where I am and what I am doing at least once a month
- (c) I will not leave a job without informing Visitoz
- (d) If I want to change jobs I will inform Visitoz and they will make the request to the Department of Immigration. I know I must allow at least seven days for the reply.
- (e) I know I cannot accept a job without first informing Visitoz
- (f) I know if I am sacked or 'let go' I will inform Visitoz. Sacking is a reason for losing the Bond.
- (g) I know I must inform Visitoz when I go home, my flight number and dates. If this is a change from when I arrived I will inform Visitoz of the changes.
- (h) I know I must leave Australia at the end of my Special Programme Internship Visa, by the time of the date on the Visa Grant notice.
- (i) I know I must not negotiate with any Migration Agent other than the official one for Visitoz.
- (j) I know I must inform Visitoz if my employer wishes to Sponsor me and will inform my employer of the service provided by the Migration agent for Visitoz.
- (k) I understand I may go home for a short holiday, or have a short holiday out of Australia, I must inform Visitoz of the dates and times of the flights and where I am going.
- (l) I also agree that in my Visitoz application to leave before my visa expires and not expect the Government of Australia or Visitoz to pay for my homeward transport. I will buy a return ticket and use that ticket to travel home.
- (m) The Department of Immigration penalties for non-compliance are to have the visa cancelled, be deported and fined up to \$14,000. I understand this.
- (n) I realise that if I wish to have my Good Behaviour Bond returned I must comply with all these conditions and submit the Bond claim form (which I will be given on the training farm) one week before leaving so that I will have the use of the \$1000 in my last week in Australia.
