

Management Accountant | CBD | 12 Months | Leading ASX

- Broad Varied Accounting position
- Work with non finance business partners
- Earn a temp to perm role beyond 12 months

This is a wonderful opening for a high calibre accountant to deliver accurate financial and management information for a some major entities of this large multinational.

You will be reporting to an experienced and qualified finance manager, so the remit of the role may develop and expand depending on your capabilities and attitude.

Key responsibilities include:

- All management reporting activities, including analysis of information, recommendations and proposals
- Assist in running the budget and forecast process for multiple entities
- Ownership of the month-end process including various accruals and prepayments for an international group of entities
- Completion of timely balance sheet reconciliations
- Posting month end journals
- Debtors and Creditor Reconciliations

Key requirements for the role:

- Experience working in a large complex corporate
- CA/CPA/ACCA Qual or part Qualified
- Strong experience around the technical month end accounting
- Ability to meet deadlines with accurate and detailed work
- Ability to work independently to complete process improvement and other ad-hoc projects
- Someone with 'can do' attitude with initiative
- If taking ownership, being proactive and having an eye for detail sounds like you, then please apply.

This business has a proven track record in developing contractors and should you prove yourself indispensable then there is every chance of a contract extension beyond the initial 12 months. It is also a maximum term position so you will be paid full leave and sick entitlements.

You will be working with a team of high calibre accountants who will have the know-how and ability to help you build on your career aspirations. There are genuine career advancement opportunities as well as permanent prospects are available for strong performers within the temporary period of the contract - you will be considered as an internal candidate for permanent positions should they arise.
